Armindo Carvalho
Managing Authority

Main OP challenges and goals

- Increasing scales to make the Atlantic Area a global player

Throughout a set of strategic priorities and operational objectives

- Coordination within national and EU policies and programmes

Enhancing complementarities and synergies and avoid duplications

- Cooperation and networking sustainability

Aiming to long-term cooperation and perpetuation of networks

- Integration and multiplication of impacts

Lead by strategic capitalization approaches of the project's results

(1) Suitability to the strategic priorities

How do projects fit to main key issues of Programme priorities?

Priorities	Main key issues
Promote transnational entrepreneurial and innovation networks	<ul style="list-style-type: none"> • Direct involvement of enterprises • Innovation on maritime economy • Rescaling regional endogenous resources
Protect, secure and enhance the marine and coastal environment sustainably	<ul style="list-style-type: none"> • Maritime technological hazards management • Sustainable management of marine resources • Development of maritime renewable energies • Integrated coastal zones management
Improve accessibility and internal links	<ul style="list-style-type: none"> • Intermodality, interoperability and continuity • Development of maritime transport
Promote transnational synergies in sustainable urban and regional development	<ul style="list-style-type: none"> • Balanced polycentric development • Promoting cities and regions networking • Enhancing Atlantic maritime heritage

Projects classified according to key issues handled

(1) Number of projects influencing OP priorities

47 enterprises are involved on AA projects, representing 9% of the total of participants (519)

Priorities	Main key issues	Nr projects	
Promote transnational entrepreneurial and innovation networks	Direct involvement of enterprises	29	41
	Innovation on maritime economy	30	
	Rescaling regional endogenous resources	15	
Protect, secure and enhance the marine and coastal environment sustainably	Maritime technological hazards management	4	19
	Sustainable management or marine resources	18	
	Development of maritime renewable energies	1	
	Integrated coastal zones management	5	
Improve accessibility and internal links	Intermodality, interoperability and continuity	3	6
	Development of maritime transport	4	
Promote transnational synergies in sustainable urban and regional development	Balanced polycentric development	13	18
	Promoting cities and regions networking	3	
	Enhancing Atlantic maritime heritage	6	

(2) Coordination with national and EU policies

Main goals	Milestones overview					
<p>Additionality: Enhancing complementarities and synergies within various community and national co-financing mechanisms and avoid the risk of double financing.</p>	Share and exchange with other Programmes of <ul style="list-style-type: none"> • Know-how and good practices • Lists of applications • Implementation of common objectives 					
<p>Connectivity: Incorporating results from projects supported by other Programmes trough the adoption of project-to-project knowledge based approaches.</p>	Projects approved	P1	P2	P3	P4	Total
	Total	19	15	3	11	48
	Based on previous projects	8 42%	13 87%	3 100%	5 45%	29 60%
<p>Relevancy: Producing projects results useful to various stakeholders and Influencing the establishment of regional, national and community policies.</p>	Policies addressed	P1	P2	P3	P4	Total
	EU policies	24	30	10	13	77
	National policies	38	51	12	19	120
	Regional and local	126	126	21	109	382

(3) Cooperation and networking sustainability

Main goals	Milestones overview					
Effectiveness : Ensuring the application and generalisation of project results by making available dissemination and promotion facilities contributing to amplify outcomes.	Policy documents	P1	P2	P3	P4	Total
	Transnational	65	28	1	24	118
	National	28	53	1	31	113
	Regional and local	76	111	15	334	536
Cross-fertilisation : Expanding impacts by the generation of new cooperation projects, the creation of new networks or the extension of pre-existing networks to new audiences.	Intent to develop	P1	P2	P3	P4	Total
	New direct jobs	496	114	34	144	788
	New projects	18	14	3	10	45
	New networks	18	15	3	9	45
Perpetuation : Enhancing the capacity of the partnerships to go ahead on cooperation, independently of the availability of new EU transnational cooperation funds.	Projects approved	P1	P2	P3	P4	Total
	Total	19	15	3	11	48
	Having an exit strategy	18	15	3	10	46
		95%	100%	100%	91%	96%

(4) Integration and multiplication of impacts

Main goals	Milestones overview					
<p>Integration: Bringing together projects on similar issues and complementarities, enhancing an Atlantic Area project's identity and expanding the universe of stakeholders</p>	<p>Integration is promoted through two main mechanisms:</p> <ul style="list-style-type: none"> •Thematic project groupings: to provide the capacity of projects to work in symbiosis •Strategic frameworks: to achieve certain particular long-term purposes, as the proactive generation of projects and the proactive mobilisation of key-players 					
<p>Multiplication of impacts: Increasing the public value of project results, amplifying impacts to be much more than an addition to be a multiplication of effects, by getting the attention of a wide audience of stakeholders.</p>	Target audience	P1	P2	P3	P4	Total
	National administrations	396	446	120	400	1362
	Regional administrations	320	383	75	149	927
	Local administrations	631	448	350	708	2137
	Research and education centres	748	520	75	171	1514
	Not for profit organizations	1430	520	140	310	1430
	Private enterprises	63120	4350	600	5270	63120
